Olga - Just curious if ATK is going to have a response anytime soon?

Thanks

Subject: Highway 89 Storage Site

Richard,

ATK is pulling together its response to the EPA's demand letter. You will recall that we discussed this matter in late November and we agreed that I would provide you some information on the relationship between ATK or its predecessor, Thiokol, and John Rahkonen, the owner of Propulsion Dynamics.

In the meantime, could you resend a copy of the demand letter?
